

Crystal Shaman Drum Making Workshop

Crystal Shaman Drum Making Workshop with Wolf Drums and Flutes

This is an opportunity for you to make our own quality hand held shaman drum using traditional Sámi and Siberia style methods under the guidance of professional drum makers. During this workshop you will be using a donut shaped gemstone to lace into the back of the drum using braided hemp thread. All materials are supplied. You will be using natural deer rawhide and steam bent round Western Red Cedar for the main body of the drum.
